**Re: American Regent, Inc. v. Fresenius Kabi USA, LLC**  
**Civil Action No.: 24-cv-07801-BRM-CLW**

---

Dear Ms. Rhoads:

This firm along with Stern, Kessler, Goldstein & Fox P.L.L.C. represents Plaintiff American Regent, Inc. in the above-referenced matter. We write at the direction of your office to submit a modified affidavits of service upon defendant Fresenius Kabi USA, LLC (Defendant).

We initially served Defendant on July 19, 2024 upon an individual who we thought was their registered agent for service. This affidavit of service was docketed on July 31, 2024 under ECF No. 6. Upon notification that the individual was not Defendant's agent for service we then served Defendant upon their corporate registered agent. This modified affidavit of service is attached.

Accordingly we ask the court to kindly file the attached affidavit and re-set the response deadline under which Defendants are required to respond to August 20, 2024 (21 days after service on July 30, 2024). We thank the Court for its courtesies in this regard.

Respectfully submitted,

s/ Charles H. Chevalier
